Surface Mounted ABS Enclosure

White and Toner Black | Blank / Smoked Transparent

Product Description

Qehribar Surface Mounted ABS Enclosures are modular thermoplastic distribution enclosures developed for indoor low-voltage assemblies based on the DIN 40 mm modular standard. Designed for direct wall mounting, the range is available from 1x8 to 4x18 modules and is offered with blank or smoked transparent covers in white and toner black finishes. The series is specified with IP40 protection, up to IK08 impact resistance, UV-resistant and halogen-free ABS construction, UL94 V-0 flammability classification, and an operating temperature range of -25°C to +60°C.

Application / Use

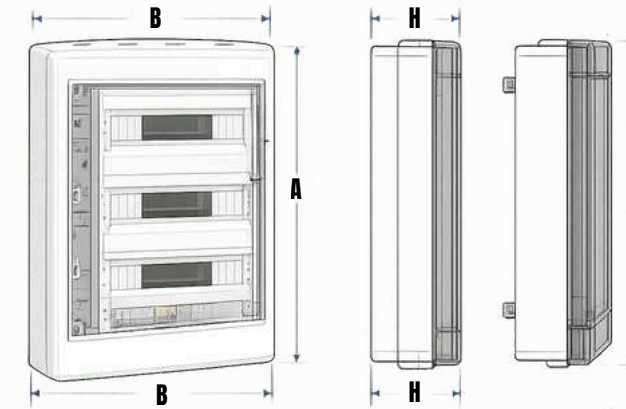

Designed for surface-mounted final distribution and modular DIN-device housing in protected indoor environments, including residential and commercial sub-distribution points, service areas, telecommunications interfaces, and auxiliary control installations.
